Art Unit: 1734

1. The following is an examiner's statement of reasons for allowance:

In a method of fabricating an object through sequential material deposition, the prior art does not teach or make obvious the concept of forming an object by consolidating material increments in accordance with the description using a process that produces an atomically clean faying surface between the increments without melting the material in bulk in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Sells whose telephone number is (571) 272-1237. The examiner can normally be reached on Monday-Friday between 9:30 AM and 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Crispino can be reached on (571) 272-1226. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.
